To whom it may concern,

My name is Michael Walsh. I am a Team Leader with Concentrix and Martin Buckley's current manager. I would strongly recommend Martin who has been an outstanding agent throughout his time with ourselves.

Martin is one of the most highly motivated agents I have ever had the pleasure to work with. He constantly strives to be one of our companies top performing agents and was always one to be asking for criticism on his work, to see how he could better himself. Martin is also an exceptional team player and would always be first to help those who were struggling.

Martin Buckley would be a fantastic addition to any team, and has been nothing short of a pleasure to have in my team.

If you have any further questions, please do reach out.

Regards,  
Michael Walsh.
